

RESEARCH AND ARCHIVES

Nelson College celebrated its 150th Jubilee in 2006. With such a rich history we have an extensive archival collection including Nelsonian College magazines dating from 1886 to the present day.

We regularly receive requests from Old Boys and family members both regionally and internationally to conduct research on our Old Boys. We have also undertaken research for authors, museums and film companies on books/movies/documentaries.

In line with the Nelson Provincial Museum the Nelson College Old Boys' Association now offers a research service with current charges being:

- **NZ\$30.00 flat fee**

Please note that additional charges will apply for lengthy research projects, these additional charges are as follows:

- Additional staff time \$15.00 per 30mins
- Photocopying charges of 20c per copy

Discounted rates for paid-up members of the Old Boys Association apply – please contact gina@nelcollege.school.nz for further details.

Please note that as we operate within the College the research facility is in operation during term time only.
