PTA UNIFORM SHOP

The Uniform shop is the sole supplier of the college uniform

The PTA sell new and used uniforms from their shop located in the front carpark beneath the Main Office area.

The benefits to the College and the College community through this venture are:

- Quality items of uniform at reasonable prices, including second-hand items.
- Standardisation of the uniform. Parents will know exactly what the uniform code is as only regulation items will be sold. Those working in the shop will be able to answer any queries.
- All profits from the shop will go directly back to the College.

The PTA look forward to the support of all parents for this venture which will benefit the College.

These prices stand as at 4 December 2008
